Tasks

- Set up and pack down (options available if this part is not possible).
- Be part of creating a safe, loving and welcoming space for pre-schoolers.
- Engage with children - this can be fun and active, or quietly chatting, listening and coming alongside.

Skills

- Kind and caring.
- Cheerful and smiling.
- Have Safeguarding procedure awareness (training given).
- Enjoy being part of a team who teach/listen/be with children.

Join the Sparklers team and help our littlest members get to know God, His love and grace for them as we go through the bible in a year; all with a lot of fun and care.
