

Sunday 20<sup>th</sup> June– Today our speaker is Sam Orkar.

What's going on at JCC?

- **Communion** - We're excited to be able to take communion as a church again, starting on the 4th July. We have managed to adapt how we have done it in the past so we can take part in communion as a church family safely. If you would feel more comfortable to bring your own, then please do, and we invite you who will be watching online to take part with us too.
- **Serving on 0-18s** - Our 0-18's team have worked hard to put together Family Central so that families can come to JCC to worship together and take part in the activities as a family. We currently only have enough team to run this 2 out of 3 weeks. If you are interested in finding out a bit more about what's involved with serving in these teams, then please get in touch with Matt or Barbs.
- **Foodbank** – Foodbank are looking for volunteers to add to their Callback Team. This would involve working from home. If you are interested, please contact Lucy Tribe [admin@eastgrinsteadfoodbank.org.uk](mailto:admin@eastgrinsteadfoodbank.org.uk) and she will send you a job description.
- **CAP Money Befriender** – Foodbank are working with CAP Money to support people who are in need of financial advice. If you are interested in training and becoming a CAP Money Befriender please contact [sue@jcceg.co.uk](mailto:sue@jcceg.co.uk) and she will send you further details. A commitment to this would take 1 hour a week or two hours a fortnight out of your time.

This week:
