### **Key points**

- At different times different commandments have stood in stark challenge to the philosophy of the age
- Currently number 7, Do not commit adultery, is the one which stands in such contrast to our present western culture
- Why does God care about faithful sexuality?
- Sexuality is about Creation
- Sexuality is about Worship
- Sexuality is about the Gospel
- VIDEO
- My sexuality should display the gospel

### **Application**

If you have been challenged or convicted by this preach make time to spend time with God and possibly a good friend to pray through that conviction.
