

## Small group optional guide

Vision series, Isaiah 54 Enlarge, stretch out, strengthen

### IN: FELLOWSHIP

Which nights during the week of prayer will we be attending?

Which slots have people booked into the 24/7 prayer?

### OUT: PRAYER

- 1) There are significant prayer needs for healing, please pray for each other and the needs we are currently aware of

### key words from Sunday:

Caroline; Exodus 34:10 And he said, “Behold, I am making a covenant. ...I will do marvels, such as have not been created in all the earth or in any nation. And all the people among whom you are shall see the work of the Lord, for it is an awesome thing that I will do with you.

Elicia; Acts 16 Paul and Silas were stopped in their tracks but God shook the prison, the doors burst open; whatever the challenges are He is there with you at all times.

Ricky; Isaiah 55:3 Don't wait til you are ready, come to him now

Jed; I could see a big wooden boat, made for sailing. There are dry docked boats being called out from places of safety, to deep waters. God's reassurance is that it is not same again, I am with you, I will heal you and keep you along the way.

WORSHIP: All the earth will shout your praise

## Small group optional guide

Vision series, Isaiah 54 Enlarge, stretch out, strengthen

UP - Isaiah 54:1-5 (read again) These last 2 weeks have been about our vision to; Enlarge, stretch out, strengthen that we will See, expect and attempt.

- Any time spent extending the rule and reign of Jesus Christ is time well spent

As Christians we can forget that the gospel is GOOD NEWS, when we get too focused on ourselves, we can lose sight that we are mission called people!

*“Give up your small ambitions and come save the world”*

Q) Would Jubilee be more effective for the kingdom as one large congregation or many?

- Jubilee's attempt involves two parts:

- 1) Jubilee central
- 2) Jubilee communities

Our 2030 vision is a thriving church at the centre here carrying on this gospel work. Running central youth programmes, courses and equipping that will serve East Grinstead and these communities. But Jubilee will also be lengthening itself into surrounding communities – seeing the gospel spread!

*Attempting* to have the first Jubilee Community going by the end of 2024: releasing and raising new leaders, preachers, servers; stepping into a new sense and calling for mission.

*“I would rather attempt much for God and be unsuccessful, than be found successful in something unremarkable for God”*

Q) What part can you play?

Q) How will we react to God stretching us? It won't be easy or comfortable.

...we need to seek the Lord! Ask Him, what would you ask of me?
