Laurence: picture of a castle surrounded by a moat, drawbridge is up, whatever your drawbridge is, lower it and let Him come in

Lesley, had a moment where she was overwhelmed with love for her grandson, she felt God say to her, how much more do I love you, He loves us, how much more do I love you

Sharon – sense that some people were feeling disconnected from God, like a car that has gone into neutral gear and needs to re-engage a gear again. (Also words around healing – chest pains & Right ear 'blocked')

Ricky – God says you don't know how much I value you and love you

Sam - May have been baptised before, you need to be filled again. It is a desire for intimacy with the Spirit, do we desire intimacy with the Spirit?
