UP

Mark 4:35-41 When Jesus promises that you will get to the other side; you will – He will never let you down

Mark 5:1-20 It is horrible when what is going on in our minds makes us hurt ourselves – that is never God's heart for you
> The influence he was under made him hate himself, he grew more and more unhappy – that isn't God's heart for you
> When the Holy Spirit comes, He releases us to be free

There is always a cost involved when Jesus touches your life, following him – there is always a price.

responses 1) please leave us 2) please can I be with you

In order to clothe us, Jesus became naked, He was tortured, separated, tormented – to deliver you and set you free, to lift your head, take your burdens.

The greatest miracle is a changed and saved life – He entrusts the gospel to every saved and changed heart.

Example application/discussion questions

Q) Was there a cost when you became a Christian?

Q) What was the last cost to you when Jesus touched your heart
