OUT: PRAYER

- 1) Alpha starts Wednesday 26th April 8pm-9pm; please pray for the team and pray for the people you will invite.

key words from Sunday:

Pam; Had a picture for several weeks of a galleon ship with several decks, the sails are fully out. The ship is the church and the decks represent us, Christians at different stages of our faith. No matter what stage of faith you are at you need to know that the power that is in Jesus is in us. The sails are billowing; now.

Marion; some people are scared to put their spinnaker sails up, not sure what it means to fully surrender to God; you can trust him.

Grace; psalm 136 Love never quits. If you call to God He will answer

Following Jesus -The doctrine of Christ

'World Narcosis' – Watch out for the symptoms

- Who's following who?

We need to come humbly to Jesus, discover who he is, not assume he will be like us. His heart and call may be very different to our own.

- 100% Man – Hebrews 4:15-16
- 4 ways Jesus was like you:

Jesus grew - Luke 2:40

Jesus felt – John 12:27

Jesus was limited – John 4:6

Jesus became weak – Luke 23:26

- 100% God – Philippians 2:5-7
- 4 implications to the incarnation:

Because Jesus is Man we can be saved

Because Jesus is Man you can copy

Because Jesus is God there is no middle ground

Because Jesus is God there is no fear in death

Discussion q's:

Q) What one thing about Jesus amazes you?

Q) Which implication is the most significant to you right now?
