### Some key words from Sunday:

Kevin; Matthew 11:28-30 Come to me, **ALL** who labour and are heavy laden, and I will give you rest

Laurence; Romans 12:2 Do not be conformed to this world, but be transformed by the renewing of your mind. (the word renewing means metamorphosis)

We have been made completely new! No butterfly looks back and longs to be a caterpillar again. Look to Jesus, don't look back.

Dan; everyone gets to play (no superstars here!), pray for each other, for burdens, renewing of your mind, be filled by the Spirit, meet with God

### **Testimony:**

Marion; keep persevering with prayer for healing, I went for healing and met with God and his love

Freedom: growing as disciples

### UP

"From Inmates to ones who Liberate" God sets you free for a purpose - to be fruitful.

John 15:16 - E.S.V

You did not choose me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide

- 1) Chosen (Not because of good work, but for good work)
- 2) Appointed to go
- 3) Appointed for fruitfulness (Like bearing Children, bearing fruit is more involved than it sounds)

Acts 16:25-34,40 where Paul and Silas are set free. We saw how their freedom was not for selfish interest; they were set free to liberate others - from inmates to ones who liberate.

Q) Are you a disciple who disciples? i.e. one who follows Jesus (this is a disciple) who gets others to follow Jesus.

- Who disciples you, who do you disciple?

Q) How could you go about joining a discipleship group?
