- 1) The freedom in Christ day 25th March; at the Charis centre Crawley 10am – 4pm...all welcome (bring your own packed lunch) there are still spaces so book through our website; www.icceg.co.uk/calendar
- 2) Pray for Easter Sunday, many to be saved. who will you invite? Pray for them

Some key words from Sunday:

Kat: Acts 16:25,26 you don't need a specific word for healing and freedom to receive it; though worship and praise you can receive healing and freedom today.

Lizzie: 1st picture is a brand new folded white shirt, 2nd is of a washing line with loads of clean men's shirts flying in the wind...there is a feeling that there are lots of bits of cotton that are attached that need to be released; to experience freedom in God

Testimony: Jenny Harvey: God has worked in my heart hugely, last year it felt like something wasn't right, I prayed and asked God to help me. St January this year the Lord showed me I had a deep Root of rejection. God removed this and it has opened my heart to the reality of what God says about me. (Hallelujah!!)
